*Join us at Kendall Young Library for a Noon Book Club. This book club meets Tuesday, January 23rd from Noon-1:00pm. The book being discussed is *The Storied Life of A.J. Fikry* by Gabrielle Zevin. *The Storied Life of A. J. Fikry* is a heartwarming book about a lonely man who finds true love, happiness, and friendship. The story is about AJ, a disgruntled bookshop owner who doesn't care for anyone, including his customers. AJ gradually brings the love of books into the lives of the people on the island where he lives. He develops into a nicer and more dependable person over the years because of the love of a child. The author sets out to show the joy that books can bring into one's life and the importance of a thriving bookshop and literary culture in a community. Copies of the book are available at the library's Check-Out desk. New members always welcome! Feel free to bring a sack lunch. No registration required.*
